

About The home

Located in a quiet residential area, The House offers comfortable living spaces, including private bedrooms, communal areas, and a well-equipped kitchen. The home is staffed 24/7 by experienced caregivers who offer personalised support tailored to each resident's needs, fostering independence, personal growth, and life skills development.

With easy access to local schools, healthcare facilities, and community services, The House ensures that residents have all the resources they need to thrive in a supportive environment.
